How to Start a Chapter Quick Facts

1. Check with your college/university to get started on filing all necessary paperwork to establish your chapter for the school year.

2. Explore the "how to get started resources" on the national website.

3. Join online and pay the $25 membership fee (you must have at least two students and an advisor in order to establish a chapter with the national office).

4. Identify chapter leadership and begin to plan recruitment and programming for the year.
