FOR IMMEDIATE RELEASE

EDUCATORS RISING GEARS UP FOR UNIQUE NATIONAL CONFERENCE

The Annual Event will be held online from June 24, 2021 – June 27, 2021

(June 14, 2021) Aspiring teachers have an incredible opportunity to sharpen their educational skills. This annual celebration with 1,300+ conference participants brings together the best and brightest aspiring educators from across the country to an engaging four-day event. The virtual programming will take place June 24-27, 2021.

The Annual Conference came from one simple idea: bringing together a diverse network of future educators and getting them excited about the teaching profession. The programming will feature keynote speakers, competitions, and professional development sessions to compete, connect, and learn.

The conference will give students and teachers the unique opportunity to:

- Connect and learn from each other through more than 40 breakout sessions.
- Network with other members from across the country.
- Compete for national titles in competitive events designed to allow students to develop and showcase their teaching skills.
- Be inspired by keynote presentations from national education leaders.

Registration is $199 for members and $249 for non-members. If you have questions about registering for the conference or need to make a change on an existing registration, please contact info@educatorsrising.org.

---

Educators Rising is a premier nationwide Grow Your Own teacher CTE program that inspires high school students to pursue education as a career. We believe that, by supporting local districts, we can build a diverse and sustainable pipeline of teachers who reflect the community in which they teach and recognize the need for funding to curb the teacher shortage by investing in the next generation of educators.
