About Me

I am a highly motivated junior at Lafayette County Highschool. I am in many activities such as Educators Rising, FBLA, FCCLA, FFA, NHS, Band, Chess Club, Interact, Gifted & Talented and I am also Arkansas's Region 5 Representative for Educators Rising. I am currently working on my Associates Degree in biology and teaching. I have about 2 and a half years of student teaching experience with students between k-6th. I'm looking to apply for National Student Office.

My Experience

🕒 Baby-Sitting December 2023

I baby sat two kids while they were on break and their grandparents were working. I stayed for about 6 hours a day and took them out to do fun activities and to go eat. We had a couple study sessions during that week and I helped with any work they didn't understand.

🕒 Student Teaching 2020-2023

During the 2020-2021 school year a classmate and I would go down to the Elementary and help teach a music class. We saw the teacher was really stressed so we helped by taking over and teaching while she got everything together. During the last week of school in December of 2022 I went back to help teach an art class.

🕒 Enrolled in a introduction to education class 2020-2023

🕒 Assisting classmates with classwork 2020-2023
