

Sean Daley

LEADERSHIP EXPERIENCE

Educators Rising, Birdville Center of Technology and Advanced Learning (B.C.T.A.L.) — National Ambassador

October 2025 - PRESENT

I was selected for this position to represent Educators Rising on a national level through social media. I do this by reposting Educators Rising and other Educators Rising Ambassadors' Instagram posts, as well as creating and posting original content. I also take part in monthly meetings with other Ambassadors and our administrators.

Texas Association of Future Educators, B.C.T.A.L. — President

September 2024 - PRESENT

I was elected to this position to lead meetings with parliamentary procedure and assist my TAFE sponsor with events held both in and outside the classroom. This includes aiding in Area, State, and National competitive event practice, as well as leading over 20 recruiting events, which resulted in 30+ students signing up for our class for the 2025-2026 school year.

As part of my Education and Training course, I had the opportunity to intern in a fifth-grade English class and a sixth-grade math class, where I shadowed and aided my mentor teachers. I was able to observe teaching strategies experienced educators use and how they build relationships with students.

Spanish Honor Society, Birdville High School (B.H.S.) — President

May 2025 - PRESENT

I was elected to this position to plan, execute, and lead meetings, as well as organize a fundraising event. Along with the other members of my executive board, I am responsible for facilitating monthly meetings, which are typically culturally enriching social events, and at least one fundraising opportunity for our program that is connected to the Spanish language.

National Honor Society, B.H.S. — Communications

April 2024 - PRESENT

I was elected to this position to communicate information about meetings, volunteer opportunities, and any other upcoming events to general members. Along with the other members of my executive board, I plan meetings, volunteer opportunities, and verify members' volunteer hours.

GALLUP SIGNIFICANT THEMES

1. Input
2. Communication
3. Developer
4. Positivity
5. Futuristic

PERSONAL TRAITS

- Ambitious
- Dedicated
- Approachable
- Encouraging
- Flexible

AWARDS

Most Improved
Woodwind Player -
2025

Five Consecutive Years
Scoring Ones in
Birdville Solo Contest -
2021-2025

Birdville High School
Outstanding Student -
2024

Mighty Hawk Band, B.H.S. — *Flute 9th Grade Lead*

April 2025 - PRESENT

I was chosen for this leadership role to bridge the playing abilities between upperclassmen and underclassmen. I did this by focusing on the fundamentals of music and giving the underclassmen the tools to improve themselves independently as musicians.

National Technical Honor Society, B.C.T.A.L. — *Vice President*

March 2025 - PRESENT

I was elected to this position to create and run community service projects and advocate for our program. Along with the other members of my executive board, I plan to raise awareness for other CTE students that this is an opportunity they might qualify for.

VOLUNTEER EXPERIENCE

Academy 4, Jack C. Binion Elementary — *4th Grade Mentor*

September 2024 - PRESENT

I mentored a fourth grader at an economically disadvantaged school on aspects of leadership. I volunteered one Friday a month to build a positive relationship with my student by working through a workbook together, focusing on a different quality of leadership each month, and playing games during “hang time”.

Camp Invention, Birdville Elementary — *Leadership Intern*

June 2023 - PRESENT

I led a group of 20+ elementary kids through different STEM-based “experiences” while uplifting their creativity and making sure their environment for this exploration was as safe as possible. In each “experience”, there was a different teacher whom I would aid as needed.

EDUCATION

Birdville High School, North Richland Hills, TX

August 2022 - May 2026

I am working toward receiving my high school diploma while being a large part of my school’s community. I have a 4.0 weighted GPA, and I have succeeded in numerous AP classes and dual-enrollment courses.

Stephen F. Austin State University, North Richland Hills, TX

Anticipated Graduation 2029

I am preparing to enroll for the Fall 2026 semester. I am planning on majoring in Family and Consumer Sciences and receiving a certification in Family and Consumer Sciences Composite for grades 6-12.
